Updated notice nr 2 on arrangements of the Boxon Group during corona virus prevention

Boxon Asia

Status right now:

- All staff are currently working in the Shanghai office.
- Some of our warehouses have open up, but the capacity is not 100 % yet.
- One warehouse will open in beginning of March.
- We arrange deliveries step by step, as some areas are not open for delivery.

As the situation is not yet satisfying, we kindly ask our customer to plan the orders in time, to avoid urgent deliveries and lack of products.

We also avoid visiting our customer, for minimizing the spread of the virus and prevent infection.

Boxon Nordics and EMEA

We are monitoring the situation thoroughly, and our businesses are currently not affected by the outbreak and we can continuously serve our customers in our markets Nordics and EMEA.

Of course, we follow the situation closely and will inform as soon as the situation possibly changes and affects our services.

Thanks for your cooperation!
